Unmatched history. The Browning BAR sporting version is certainly a distinct and separate rifle from the military BAR M1918, but its design is the result of Browning's unmatched understanding and expertise with automatic rifles that started with John M. Browning. His grandson, Bruce Browning, was the driving force behind today's BAR.

Few hunting rifles in history have achieved the status of the Browning BAR. And no other autoloaders have even come close. The line covers a wide range of tastes from the original styling of the BAR Safari, to the working rifle look of the Stalker version to the feature packed Short and Long Trac versions with modern aesthetics and handling features.

The Browning BAR is a gas-operated, semi-automatic rifle produced by the Browning Arms Company in Belgium. The rifle loads from a detachable box magazine. [3] This rifle should not be confused with the M1918 military rifle , which is a completely different design, sharing no parts, though also referred to as the BAR .
