The Summer of Wes is the endearing story of Mal and Wes. I'm not going to rehash the blurb but I will tell you that it's a friends to lovers, coming out story. It's a quick steamy fun read. I'd actually had it on my TBR before and took it off because of the cover. Then "Boys In Our Books" had a summer read

This review is long over due. I brought my F-250 to Wes in the beginning of the summer. He installed a new stereo, amp, and sub woofer. Wes was very knowledgeable and didn't try to rip me off. He actually talked me out of replacing the speakers, knowing that the stock speakers were good.
