Chances are your teacher does. Most AP teachers go and get copies of the old free response questions to help their students. If he/she doesn't, you can try buying a Princeton Review book, they either have old free response questions in them, or ones that have the same level of difficulty, I forget.

This is my first year teaching AP Physics B. I am thinking of giving a quiz that consists of one of the free response problems from the 2002 test. I noticed that the College Board provides solutions for all tests after 2003, but not for the 2002 test. Can someone work through #1 on the 2002 test (the problem deals with a rocket and a parachute) and compare answers with me?
