The New York Times has a long history of publishing style guides. We first released The New York Times Manual of Style and Usage in 1950 so that reporters inside and outside The Times could have a definitive resource for our somewhat quirky rules. In 2002, we published an update to that guide, and NYTimes journalists and editors use a frequently updated online reference version every day.

I was sitting in a conference room at a publishing company in New York City (not The Times) last week when an editor poked his head in the door. A hot new sporty hatchback had been dropped off for him to drive to a studio for a photo shoot. But there was a problem: the car had a manual transmission, and the editor couldn't drive a stick.
